

# AIR DRIVEN COMPACTOR

**“Waste management equipment for the demanding maritime and offshore industry that gets the job done efficiently, safely and in an environmentally responsible manner.”**

DT-220PN

## KEY BENEFITS

- Stainless steel AISI 304 cabinet for indoor or outdoor placement.
- Wheeled, interchangeable stainless steel containers for easy waste segregation and logistics.
- Powerful pneumatic drive.
- Compaction directly into HD waste bags for easy deployment of waste.
- Easy installation and operation (plug-and-play).
- EX- unit certification available.
- Inexpensive alternative to electro-hydraulic EX-versions.
